

GLIDER PILOT SCHOLARSHIP

HEIGHT AND WEIGHT FORM

References: A. ACGP Manual (A-CR-CCP-242/PT-005), Chapter 3, Section 1, Para 3
B. CATO 51-01 Annex B CSTC Program

1. As indicated at references A and B, the Schweizer 2-33 gliders used for the Glider Pilot Scholarship impose certain physical limitations with respect to weight and size of the pilot. Therefore, the student pilot's size must promote comfortable positioning in the cockpit with good visibility in all directions as well as being able to reach the controls for full movement. The physical limitations for height and weight are:

Limitations	Minimum	Maximum
Height	152.4 cm	190.5 cm
Weight	40.82 kg	90.72 kg

2. I understand that if I am selected for the Glider Pilot Scholarship, I am required to meet the limitations listed above by 1 June of the year of the course. If I have not met these limitations at that time, I will be deleted from the selection list. If, for whatever reason, I fail to meet the limitations listed above when I arrive at the Regional Gliding School, I will be returned to unit (RTU).

3. My height and weight (in cadet PT gear, no shoes/boots, socks only) at the date indicated hereunder are:

Height: _____cm Weight: _____kg _____
Date

Cadet's Name (Print) Squadron Number

Cadet's Signature Date

Cadet's Parent/Guardian's Signature Date
